AFTER A DISTRESSING EXPERIENCE

You are not alone

Many people feel this way after a distressing experience.

You may feel...

Sad

Worried or afraid

Angry

Unable to sleep

Small things that can help

Be with someone you trust

Keep routines for children

Do one small task

Breathe slowly

Rest, eat and drink safe water

Ask for help early

Feelings getting worse, not going away, or making daily life hard? Talk to a health worker. You do not have to wait.

Get help now

In danger, or thinking of harming yourself? Get help now. Ask a health worker or responder, and ask someone you trust to stay with you.

Help near you: _____ (filled in and checked locally)

Look after yourself. Look after each other.

Support is for everyone, including people with disabilities and older people.
